

AMERICANA

Beautiful, thin dinnerware doesn't have to be fragile. Americana is our thinnest dinnerware yet, delivering style and elegance to the table without sacrificing strength or affordability. This 9-piece line brings distinction to your brand with its crisp Arctic White glaze on Homer Laughlin's durable Ivory Body. Our made-in-the-USA, always-lead-free dinnerware is crafted to be better at resisting chipping, cracking, and crazing. Set the table with Americana—at the intersection of quality and luxury.
